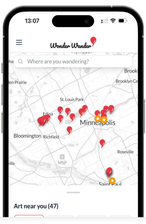
How?

Explore the Map

Discover the art that surrounds you. With *Wonder Wander*, you can explore an interactive map filled with sculptures, murals, parks, museums, and creative spaces nearby. Every pin invites you to uncover something new — from a hidden artwork around the corner to an independent gallery you've never visited.
With just one tap, find directions and learn about the artists behind each piece.
Turn your everyday walks into artistic adventures.

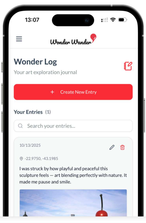
Collect Balloons

Turn exploration into a game. Each time you visit an art spot — a mural, sculpture, or exhibit — you can collect a digital balloon.
The more places you visit, the more balloons you unlock.
Make your art journey a living collection of your discoveries.



Wonder Log

Capture your art walks. *Wonder Log* lets you record your experiences, upload photos, jot down reflections, and save notes about every piece you encounter. Build your own visual diary of art — save your favorite spots, revisit your most inspiring moments, and share your artistic paths with friends and local communities.



Learn as You Go

Learn while you explore. Every artwork has a story — who made it, why it exists, and what makes it special. *Wonder Wander* brings curated insights, artist bios, creative processes, and cultural context right into your walk.
Become an urban art explorer, combining curiosity, knowledge, and movement.
